## ***“Let Us Make Your Wedding Day a Dream Come True”***

I would like to give you some information on our Reception Hall that may help you in planning this wonderful event. We can accommodate up to 250 guests comfortably for receptions. There is no charge for the Reception Hall itself when you order a banquet dinner for parties of 100 or more. Because we do all of our own catering on site we do not allow any outside food or beverages at our facility with the exception of cake. Our Banquet Dinner Menus offer a variety of delicious foods and the menus are flexible as well as affordable. Our goal is to make this evening one you and your guests will cherish forever. We do not offer taste testing at our facility but we will gladly work with you in designing a menu that represents you and is pleasing to your guests. Included in the dinner pricing is the entire set-up of the reception with tables, chairs, place settings, white table linens and napkins, etc. For parties of 100 guests or more a large wood dance floor is provided free of charge and you are encouraged to provide music for your guests. We can allow anything from a DJ to a small band. Prior to the special evening we will discuss the layout of the room and you will have the option to design a space that is unique and accommodating to your guests.

We do have a decoration package that consists of white tea lights wrapped in white tooling that we drape from the ceiling above your guests and around the perimeter typically behind the head table. Our decoration package is \$350.00 and adds tremendous elegance to the Reception Hall. You are more than welcome to do your own decorating if you choose. Since the centerpieces are usually something that symbolizes the bride & groom, most couples do their own, but we do have plated glass mirrors that you can use for \$3.00 a mirror. Special discounts are available to larger parties. There is a cake-cutting fee of \$75.00 if you would like us to provide that service. If you choose not to we still provide the small plates and forks at no charge.

We truly pride ourselves in making this day as special and stress-free as you deserve that is why we are flexible and compromising to whatever your needs may be. If you have any questions or would like to come in and take a look at our facility please don't hesitate to contact us, we are happy to help. Congratulations and thank you for your time!

Sincerely,
